
Crisis Management

I'll provide your interests!

I offer services on a **temporary direct management of the Client's company** by means of participation in the governing bodies of the company for financial stabilization, revealing the reasons for the crisis and implementation of the Clients arrangements.

- *You've got bad dynamics in the financial and business indexes of your Company, the enterprise's internal situation is progressively becoming less clear and evident for the owner, there is no understanding of the reasons for the crisis and the future of business activity, difficulties in relations with creditors have appeared and conflict with executives is coming or has already happened:*

  I fulfil control for activity of your enterprise, property funds and relations with creditors reveal the main problem factors of your business establish dialogue with counteragents, define the highest risk factors.

  By means of my appointment in governing bodies of your enterprise I shall become your private attorney and complex business advisor with the aim of activity stabilization, exhaustive consultations on business prospects and the financial situation, prevention of control and property complex loss, as well as choice of further actions for business rehabilitation or restructuring.

A fee for my work is evaluated individually for each case and usually it is set as a fixed monthly fee calculated from the work effort evaluation within the project. Depending on the situation, my managing services can be paid as the abovementioned monthly fee, or as a fixed salary in this company.

Besides the abovementioned fee the Client shall additionally pay for all direct expenses connected with the fulfillment of tasks, including: travel costs, legal costs, notary and tax fees, fees for translation services, fees for services providing economic and physical security, if required. Such additional expenses are included in the service budget and they should be agreed with the Client on a separate basis.
